

Dr. Prakash Kumar obtained his basic Medical and Master's (Internal Medicine) degrees from Malaysia. Following this, he joined the National Neuroscience Institute, Singapore and completed his advanced specialist training in Neurology. He then pursued a Movement Disorders Fellowship in Toronto with Professor Anthony E. Lang. Presently, Dr. Prakash serves as Senior Consultant Neurologist at National Neuroscience Institute (SGH campus), Associate Professor at the DUKE NUS Graduate Medical School Singapore, Clinical Senior Lecturer at the Yong Loo Lin School of Medicine and Program Director of the Singhealth Senior Residency Neurology program. He is also a fellow of the Academy of Medicine in Singapore. His areas of clinical interest include motor and non-motor problems in Parkinson's disease and various other movement disorders, Deep Brain Stimulation programming, as well as Clinical Neurophysiology. He has a number of publications in these areas.
